ELMICH FACTORY

A BOUT US

ENG

We are Elmich JSC- is a leading manufacturer of premium quality cookware products in Vietnam. Established from 2015- a modern factory with a landscape of 50 000 sqm , we have been offering pressed aluminium, forged aluminum and stainless steel cookwares to both domestic and international market.

Invested by cutting-edge production line and technology from Europe, our products have been manufactured with rigorous quality control, under ISO 9001 & ISO 14001 system, SA 8000, GSV (CTPAT) certificates. Our annual capacity of 14 million products per year have catered for customers' needs of all kind. We have inhouse R&D, Tooling department and modern inhouse lab setting up according to LGA standards. We have been a strategic partner to lots of customers globally, from America, Europe, and Asia. Currently, we are still expanding our market to offer customers worldwide with quality products at a reasonable price.

We warmly welcome customers to connect and visit our factory.

We believe that our factory will be your perfect partner.

ESP

Somos Elmich JSC, un fabricante líder de productos de cocina de alta calidad en Vietnam. Establecidos desde 2015, contamos con una moderna fábrica con una superficie de 50,000 m2, donde ofrecemos utensilios de cocina de aluminio prensado, aluminio forjado y acero inoxidable tanto en el mercado nacional como internacional.

Con inversiones en líneas de producción y tecnología de vanguardia provenientes de Europa, nuestros productos se fabrican bajo estrictos controles de calidad, cumpliendo con los sistemas ISO 9001 e ISO 14001, así como con las certificaciones SA 8000 y GSV (CTPAT). Con una capacidad anual de 14 millones de productos, hemos satisfecho las necesidades de clientes de todo tipo. Contamos con departamentos de I+D y herramientas internos, así como un moderno laboratorio establecido según los estándares LGA. Hemos sido un socio estratégico para muchos clientes a nivel mundial, desde América y Europa hasta Asia. Actualmente, seguimos ampliando nuestro mercado para ofrecer a clientes de todo el mundo productos de calidad a precios razonables.

Damos una cálida bienvenida a los clientes para conectarse y visitar nuestra fábrica. Creemos que nuestra fábrica será su socio perfecto.
